

## 2024-2025 GRADE 12 COURSE SELECTION

You will automatically be enrolled in the following required courses:

Semester One:

- English Studies 12

Linear:

- Bible 12
- CLC 12

Additional Information:

- You need a minimum of 92 credits for graduation from MRCS
- The BC Ministry of Education requires 80 credits for a Dogwood Diploma
- **You must choose one course within each option for a full course load as per our school requirements**
- If you are missing your Socials 11/12 or Science 11/12, that is a priority to your schedule for this year
- The Teacher's Assistant program requires an application and screening process and is not a guarantee. You may also only be a TA once per year and you **MUST** ensure you are meeting your Grade 11/12 level course requirements first. Priority is given to Grade 12 students over Grade 11 students. Teachers are also allowed to say no to a TA request
- We will consider enrolling students in one online option per year with the following conditions:
  - Students in Grade 11 and 12 may only swap one course for an online option each year
  - The course cannot be one that we currently offer in our schedule, but must be one that is not currently available at MRCS
  - The student and parents must sign a contract stating that the student is responsible for the completion of all work and meeting deadlines. If the student is not able to complete their first unit within our school's course change deadline, they will be asked to enrol in an in-person course within our schedule
- **Courses with an \* are required prerequisites for the Grade 12 level course of the same content**
- **The following courses do not, at this time, have a teacher as we are still looking for a HS Math and Science Teacher and would be offered in a group online format with an adult supervisor taking them through modules on a scheduled time frame and providing in-class organizational support, check ins, and attendance monitoring. Please pray for the Lord to provide a teacher for us!**
  - **Physics 12**

CHECK THE ELECTIVE COURSES YOU INTEND TO TAKE NEXT YEAR. Choose **one** from each box. **Please bring this completed form with you on Thursday, June 1, 2023. We will submit selections to the digital form on Friday.**
