PURPOSE:

Effective July 1, 2016, independent school authorities are required to have policies and procedures on how learning resources are chosen for use in schools. The learning resources requirement is authorized under the authority of the Independent School Act, s 4(1)(b) which states:

On application by an authority, the inspector must issue or renew a certificate classifying an independent school into one or more of the groups set out in the Schedule if the inspector is satisfied that the authority and the independent school meet (b) the educational standards established by the minister, and

Section 4 of the Ministerial Order 41/91, the Education Standards Order.

This policy sets out the procedures that determine how learning resources are chosen, as well as how concerns or challenges will be addressed by Maple Ridge Christian School.

DEFINITIONS:

Learning Resources are texts, videos, software, and instructional materials that teachers use to assist students to meet the expectations for learning defined by provincial and local curricula.

This policy is specific to learning resources that form the core program collection of resources.

Learning resources used in the classroom will be evaluated and approved by Maple Ridge Christian School with consideration given to curriculum fit, pedagogy, social considerations, age and
